MEMORANDUM FOR: Chief, Interrogation Research Division

**SUBJECT: Pages 220 through 321 of the Testimony on
the Polygraph before the Moss Committee**

I reviewed this material from the standpoint of accuracy. I have made a few notes in the margins to correct spelling errors. The only gross error in my testimony appears on page 285 about two-thirds of the way down the page. I am quoted as saying "I do not want to simplify it." What I said was "I do not want to over simplify it." Otherwise, the testimony appears to be reasonably representative of my statements.
